INTRODUCTION

The *Statistical Abstract of Higher Education in North Carolina, 2010-11* has been assembled to provide a detailed statistical account of higher education in North Carolina to legislators, educators, and other interested citizens of North Carolina. The data in this abstract represent both past and current (2010-11 academic year) information. From this abstract, the reader can gain some knowledge about who is being educated, where they are being educated, and the resources supporting their education.

The Institutional Research and Analysis Division of the University of North Carolina General Administration compiled the data reported herein from online forms submitted by the individual institutions in the summer and fall of 2010 for processing during the 2010-11 academic year. The design of these forms is suitable for both Federal and State data requests (see Appendix A).

The staff of the Institutional Research and Analysis Division makes every effort to verify the validity and reliability of the data reported by the institutions. The ultimate responsibility for the accuracy of the data, of course, lies with the individual institutions as they originate the reports on which this abstract is based. In certain instances discrepancies may appear to be present, when in reality the data reported may reflect different interpretations of definitions by respondents in different institutions. Wherever possible, these apparent discrepancies are explained by footnotes. For example, because of its unique student body, which consists of both college and high school students, data for University of North Carolina School of the Arts may not be directly comparable to other institutions in some tables in which they are presented.

If a comparison or a trend study is conducted, please note that East Coast Bible College closed on August 31, 1999. Anson Community College changed its name to South Piedmont Community College in the fall of 1999. Winston-Salem Bible College changed its name to Carolina Christian College in the fall of 2007. North Carolina School of the Arts changed its name to University of North Carolina School of the Arts in spring 2008. Roanoke Bible College changed its name to Mid Atlantic Christian College in the spring of 2009. Beginning in 2000 and 2001, enrollment data for the University of North Carolina and private institutions combined both resident and extension credit respectively. When Cabarrus College of Health Sciences began offering baccalaureate degrees, it moved from the "Junior Colleges" category to the "Senior Colleges and Universities" category. Saint Mary's College became High School only in the fall of 1998. Barber-Scotia College, unaccredited since 2006, is in the process of seeking re-accreditation. As of Fall 2009, Doctorate and First Professional Degrees have been renamed Doctoral Research and Doctoral Professional respectively.

SECTION IV

DEGREES CONFERRED

The U.S. Department of Education's National Center for Education Statistics (NCES) developed the Classification of Instructional Programs (CIP) in 1980. The purpose of the CIP is to provide a taxonomic scheme that will support the accurate tracking, assessment, and reporting of fields of study and program completions activity. CIP revisions occurred in 1985, 1990, and 2000. The 1990 edition of CIP (CIP-1990) was implemented in 1992. The 2000 edition of the CIP (CIP-2000) was adopted in 2002.

CIP-1990 was used to track degrees conferred in North Carolina colleges and universities before 2002. CIP-2000 has been used since 2002-2003 academic year.

SECTION IX
STUDENT FINANCIAL AID

The financial aid form was completely revised in the summer of 2007. The new form collects financial aid data by the aid source. Data in Table 65 show the basic format for collecting and summarizing the data. The unduplicated counts of recipients in this table include all students who received financial aid from a given source (federal, state, institution, or other programs) for the 2006-07 reporting year (Fall 2006, Spring 2007, Summer I and II 2007).

Modifications were made to Table 67 to reflect current financial aid practices by providing summary information for federal loans, non-federal loans, and the Federal Work Study (FWS) program.

APPENDIX B

DEFINITIONS OF TERMS

The definitions below are intended to facilitate the better understanding of information presented in this report. These are selected from the University of North Carolina's reporting forms and the US Department of Education's Integrated Postsecondary Education Data System forms.

1. ENROLLMENT for UNC and private institutions refers to the headcount degree-credit enrollment. The degree-credit enrollment includes full-time and part-time students enrolled in courses basic to or creditable to a bachelor's or higher degree including extension courses but excluding students in correspondence, adult education, audited courses, short courses, and those enrolled for individual lessons only.

Undergraduate includes students who have not completed a full four-year program or its equivalent and also students in a five-year bachelor's program. This classification includes students in junior and community colleges in programs transferable to four-year institutions.

Doctoral Professional includes students who are in a professional school or program (law, medicine, dentistry, pharmacy, veterinary medicine, and theology) which requires at least two or more years of previous college work for entrance.

Graduate includes students who have attained at least one standard bachelor's degree or first professional degree and who are or might be candidates for a master's or doctorate degree.

First-Time Freshman includes new students who have not attended college prior to the immediately previous summer sessions. Also includes students who entered with advanced standing (college credits earned before graduation from high school).

Special/Unclassified includes students who are not candidates for a degree, diploma, certificate, or equivalent award, although taking courses in regular classes with other students.

Full-Time Student includes students registered for 12 or more semester credit hours as undergraduate or 9 or more semester credit hours as graduate or first professional students.

Part-Time Student includes students registered for less semester credit hours than a full-time load.

FTE (Full-Time Equivalent) of Part-Time Students

Undergraduates

12 or more semesters credit hours = 1
9 to 12 semester credit hours = 3/4
6 to 9 semester credit hours = 1/2
Less than 6 semester credit hours = 1/4

Graduates

9 or more semester credit hours = 1
