

N.C. counties served by NCSSM distance education programs in 2011-2012

NCSSM distance education enrolls part-time students in 64 counties in AP and Honors level distance education courses. Partner schools systems convey these course credits on student transcripts.

Other outreach highlights for 2011-2012:

- 1,164 high school students in 93 counties completed at least one NCSSM AP or Honors level residential or distance education course.
- NCSSM faculty reported more than 11,500 hours of outreach and engagement activity.
- NCSSM alumni and students reported more than 160,000 hours of community service to NC non-profits.
- Approximately 730 K-12 teachers attended professional development sessions hosted by NCSSM.
